o

i... it's
as if this
is a
safari bus

but for
some reason
the wild
beast-sans
are inside the
bus not out

I... I feel
like I'm being
exiled off to
some island
never to set
foot on the
main land
again...

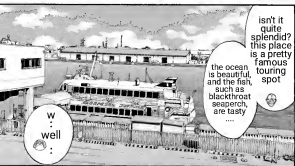

we'll
reach our
desti-
nation
soon

the
exile
ships

I mean
the
ferry
docks

.....

isn't it
quite
splendid?
this place
is a pretty
famous
touring
spot

the ocean
is beautiful,
and the fish,
such as
blackthroat
seaperch,
are tasty

W
:
well
:

aw, the
sea gulls
are being
chased
away

crows,
which
are thought
to be
unlucky,
are
gathering

but
wonder

ehh
now then
everyone,
I would like
for you all
to split into
2 groups

so not
everyone
can get on
at once
.....

by ordering
the ticket with
discount,
we had to
double-book
with another
school

let us
get on
that one

special
charter
boat
to travel to
Sadoga-
shima

15 students
and the
teacher with
most strength,
Fukushima
sensei, will
be going on

and
also
...

however
you see it
this is not
a ferry but
a fishing
boat...

uh
..
um
....

eh....?
who would
do this
for what,
Mura?

this is
too much
for it to
be a coin-
cidence

it might
have been
planned,
Tateno

what
?

maybe?

.....
disposing
trouble
.....

a short
trip on
a boat
is not
that bad

well

about
those
students
who went
on the
fishing bo...
I mean, the
special
ferry

but I'm
worried

here

yes
really
really

ku
ku
ku
...

since
Mitsuko
sensei is there
with them
nothing
serious
should
occur..

ahh
it
should
be
fine

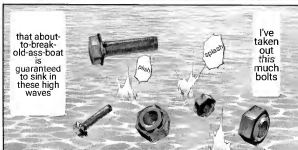

because

even
if you
worry
they
won't be
coming
back
alive

that about-
to-break-
old-ass-boat
is
guaranteed
to sink in
these high
waves

I've
taken
out
this
much
bolts

**Fuku-
shima
Mi-
tsuko!**

this time,
die with
those trouble-
some
members
in class
tiger,

although
I've failed
to make
her into
a dew of
the Sea
of Trees

W..
was the
ocean
surface
this
close?

hm?
hmhm?

ah

some-
one go
ask the
captain
for a
lifeboat

Tateno..
isn't
this
really
bad?

eh
?

isn't
this ship
slowly
sinking
?

huh?
sensei

rumble rumble rumble

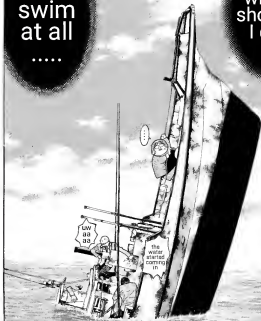

I can't
swim
at all

.....

W..
what
should
I do
